### RELIGION IN JAPAN.

No State Church—Freedom of Conscience a Guarantee.

WASHINGTON, March 12.—Much interest was manifested to-day in reports to the effect that the Japanese Government is discussing a plan to adopt Christianity as the state religion. So far as it has been ascertained, however, the statement lacks credibility or foundation in fact. The published report was to-night shown to Jutaro Komura, the Japanese Minister, who was asked to make a statement on the subject. In reply, through an attache, he spoke substantially as follows:

"The statement that Japan is discussing a plan to adopt Christianity as its state religion is not true, and there is no possibility of this being done. Unlike Russia, England and other European countries, the Japanese Government has no state religion, but according to the constitution of the country each religion is given the liberty to exercise its functions so long as they do not interfere with or disturb the peace, in order and good morals of society."

### MAY COPY THE OREGON.

The Alleged intention of England in Building New Ships.

NEW YORK, March 11.—A cable to the Sun from London says: Goschen told the House of Commons on Thursday, when introducing the naval estimates, that the Admiralty had not yet decided upon the plans for the two new battle-ships which are to be built during the coming year. There is good reason to believe that both will be almost exact copies of the Oregon, whose performances in the late war greatly impressed the chief naval constructor of the British Navy. It is stated that the Admiralty has the full plans of the Oregon, presumably supplied by the courtesy of the United States Navy Department.

### THE KHALIFA.

England to Send a Force to Wipe Out the Deverishes.

LONDON, March 11.—The latest advice from the Sudan minimize the strength of the Khalifa's forces, though it has been practically decided to send an expedition to finally dispose of him. General Lord Kitchener will shortly make an extended tour of the Eastern Sudan, visiting Kassala, Suakim and Gederf.

A squadron of cavalry has been dispatched from Omdurman up the White Nile to prevent supplies being furnished clandestinely to the Khalifa's camp in Kordofan.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill. For Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. Meakle, General Merchant and Farmer, Mattie, Bedford county, Pa.
